Hon. Co. Judge Tom Bonn
Caldwell Co. Commissioners Court

It is with great sadness in my heart that I am informing you that I have decided to Tender in my official resignation as Caldwell County Tax Assessor for Caldwell County Effective immediately as of Oct. 21, 2011 at 5:00 PM. The past 33+ years that I have been allowed to serve the people of Caldwell County have been one of my proudest and most humbling experience of my life. Proudest because I have been able to serve the people of Caldwell County faithfully and without prejudice. Humbly because the people have repeatedly put their trust and faith in me to serve them to the best of my ability. The past few months have been some of the hardest months that I have ever had to endure. Due to the situation in Luling I have been placed in the position where I am unable to be bonded as the statue requires. Most recent events that have occurred make that an Almost impossible task. I do not want the people of Caldwell Co to ever question the integrity of the Tax Assessor Collector's Office in Caldwell County. I have nothing to hide or feel guilty for and I leave this office with a clear concience and a clean heart. There are people who for reasons known only to themselves have done things that are not in the best interest of this county and this office. I do this not for me but for the people who need to have faith and trust in their elected officials. That they will always Have the best interest of the people and not for themselves. I want to thank the people of Caldwell County for their trust and their support that they have shown me for so long. I love you all and May God Bless Each and Everyone of You.

Always with respect,

Mary Vicky Gonzales
